

Teresa Lubarsky's Healdsburg Ballet Summer Program 2010 Application

For students, this summer ballet program is a time to experience the rigors and the rewards of a day program. For many, this four week program will be an eye-opening encounter with dance techniques and dance related subjects that are not available during the Fall/Spring sessions. Best of all, the most wonderful experience is meeting new friends and having loads of fun as you continue to learn and improve in an activity you love.
