

PETER PAN

Based on the Play by J.M. Barrie

ACT I – Scene 1 – IN THE NURSERY and Peter Pan

The Darling house at Number 14 was full of excitement as Wendy told the tales of the great Peter Pan and as her two brothers fought playfully imagining the magical Neverland Wendy spoke of; little did they know that Peter Pan was always watching and listening to the stories of his adventures with the Native Neverlanders, his friends the beautiful Mermaids, and his battles against the dreaded Captain Hook! They also didn't realize that their fantasies would soon become a reality as they too learned how to fly!

But as they sat looking through the open window, Wendy and her brothers appeared in their beds as Tinkerbell and Peter Pan flew off for more adventures in Neverland!
